

Christopher Santoso

Civil Engineering Student | UNSW

+61 478 889 668 | santosochris2006@gmail.com | [LinkedIn URL]

PROFILE

UNSW civil engineering student with experience in STEM tutoring, class administration and event coordination. Led a school media recruitment campaign that grew active membership from 15 to over 40.

WORK EXPERIENCE

Selective Tutor and Administrator

[Organisation name or Self-employed, if accurate] | Feb 2025 - present

- Developed individual learning plans for primary students preparing for selective school entry, using diagnostic assessments and progress tracking.
- Coordinated weekly group writing classes, managing tutor schedules, parent communications and payments.
- Supported a selective mentoring program by helping organise personalised weekly plans around student needs and schedules.

Mathematics, Physics and Chemistry Tutor | Art of Smart

Hornsby, NSW | Feb 2025 - present

- Delivered HSC and preliminary tutoring, adapting explanations and custom problem sets to student learning needs.
- Tracked student progress and communicated feedback to parents to guide learning priorities.

LEADERSHIP

Executive Secretary | Sydney Boys High School Media Team

2022 - 2024

- Led a recruitment campaign that grew active membership from 15 to over 40.
- Coordinated sound and visual production for TEDxYouth@SBHS 2022, delegating tasks across a seven-person team.
- Organised filming schedules and logistics across multiple performances of the SBHS/SGHS Matilda musical.

EDUCATION

Bachelor of Engineering (Honours), Civil | UNSW

2025 - present | Expected graduation 2028 | WAM 78
